

## Come Clean - Hilary Duff

Crashing to the ground  
Let's go back  
Back to the beginning  
Back to when the earth, the sun, the  
stars all aligned

'Cause perfect didn't feel so perfect  
Trying to fit a square into a circle  
Was no lie  
I defy

Let the rain fall down  
And wake my dreams  
Let it wash away  
My sanity  
'cause I wanna feel the thunder  
I wanna scream  
Let the rain fall down  
I'm coming clean, I'm coming clean

I'm shedding  
Shedding every color  
Trying to find a pigment of truth  
Beneath my skin

'cause different  
Doesn't feel so different  
And going out is better  
Then always staying in  
Feel the wind

(CHORUS)

I'm coming clean  
Let the rain fall  
Let the rain fall  
I'm coming clean

## So Yesterday - Hilary Duff

Come on and let it show  
You can change your life  
(If you wanna)  
You can change your clothes  
(If you wanna)  
If you change your mind  
Well that's the way it goes

But I'm gonna keep your jeans  
And your old black hat  
('Cuz I wanna)  
They look good on me  
You're never gonna get them back  
At least not today  
Not today  
Not today, 'cuz

If it's over let it go and  
Come tomorrow it will seem  
So yesterday  
So yesterday  
I'm just a bird  
That's already flown away

Laugh it off  
Let it go and  
When you wake up it will seem  
So yesterday  
So yesterday  
Haven't you heard that I'm gonna be  
okay

You can say you're bored  
(If you wanna)  
You can act real tough  
(If you wanna)  
You could say you're torn  
But I've heard enough

## The Great Beyond - R.E.M.

I've watched the stars fall silent from your eyes  
All the sights that I have seen  
I can't believe that I believed I wished  
That you could see  
There's a new planet in the solar system  
There is nothing up my sleeve

I'm pushing an elephant up the stairs  
I'm tossing up punchlines that were never there  
Over my shoulder a piano falls  
Crashing to the ground

And all this talk of time  
Talk is fine  
And I don't want to stay around  
Why can't we pantomime, just close our eyes  
And sleep sweet dreams  
Being here with wings on our feet

I'm pushing an elephant up the stairs  
I'm tossing up punchlines that were never there  
Over my shoulder a piano falls

## Love Is All Around - R.E.M.

I feel it in my fingers, I feel it in my toes  
Love is all around me and so the feeling grows  
It's written on the wind, it's everywhere I go  
So if you really love me, come on and let it show

You know I love you I always will  
My mind's made up by the way that I feel  
There's no beginning, there'll be no end  
'Cause on my love you can depend

I see your face before me, as I lay on my bed  
I kinda get to thinking of all the things we said  
You gave a promise to me, and I gave mine to you  
I need someone beside me in everything I do

You know I love you I always will  
My mind's made up by the way that I feel  
There's no beginning, there'll be no end  
'Cause on my love you can depend

It's written on the wind, it's everywhere I go  
So if you really love me, come on and let it show
